

Uplifting Christ Since 1844

First United Methodist Church

Momence, Illinois

1984

Dear Members and Friends:

The fundamental reality of the Christian faith is experienced in the community of the Church. It is as the Church that we experience the love God has shared with us in Jesus Christ. It is in the worship life of the church that we encounter the "good news" of God's redeeming love and celebrate the sacraments which renew and transform our lives. It is in the community of the Church we are equipped to serve the Lord in faithful and joyous discipleship.

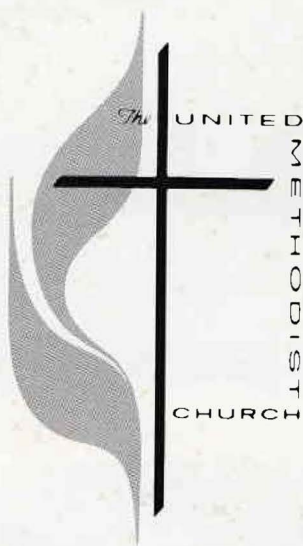

To be the church is to be in fellowship with Christ Jesus and with one another. The reality of that fellowship depends not only on the depth of our faith but also on how well we know each other. It is my hope that this pictorial directory will assist each of us in becoming better acquainted with other members of the First United Family. I see this directory as a tool of fellowship.

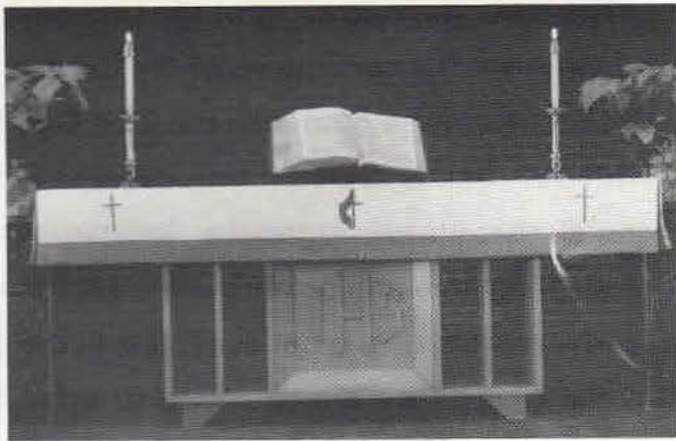

First United Church is a special place. We have a rich history and a bright future. As we grow in our sense of community, our life together will be even richer and our witness to the gospel even more fruitful.

Grace and peace,

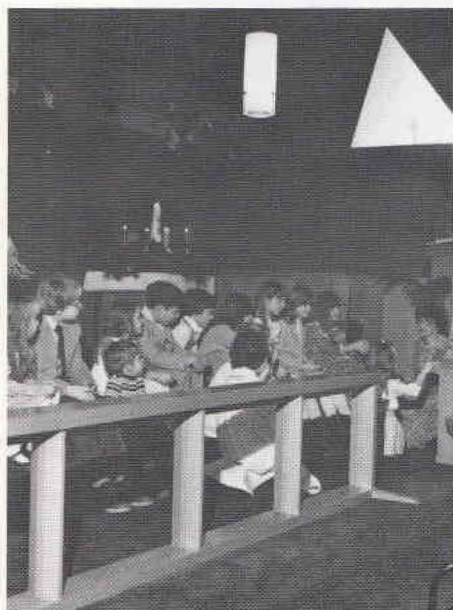

Scott W. Carlson
